Hi Scott

I was out yesterday. I had some trouble accessing my voicemails. I was able to access one fewer messages than my voicemail said I had.

I saw from my call log that you had called, but did not retrieve a message from my voicemail and was thinking yours might have been the missing voicemail. If you happened to leave a message, let me know a good time to call you and I will return the call. I am in meetings from 2:45 to the end of the day, but should be available before then and my calendar is pretty much open tomorrow.

Thanks
